

Please keep the area around the circumference and above the hydrant clear of obstructions.

It is important that the front and sides of the fire hydrant on your property be visible from the street at all times pursuant to Ordinance 8-1-26. The City needs your help to clear the area around the hydrant on your property. Thank you for attending to this notice in a timely manner.

If you have any questions regarding this notice, do not hesitate to call us.
